A Paper Mill Goes Quiet, and the Community It Built Gropes for a Way Forward

By JESS BIDGOOD    AUG. 2, 2014

The Great Northern Paper mill closed a century after it gave rise to Millinocket, Me. 
Tristan Spinski for The New York Times
Healthy Forest

- Forest stewardship and conservation provide clean air and water, wildlife habitat, and forest products.
- Forests create jobs and provide a renewable, local source of energy for efficient heating.
- Forests and a robust forest economy are vital to creating thriving communities.
- Forests provide a landscape for tourism, recreation, education, and personal enjoyment.

Community Vitality

Economic Opportunity
Model Neighborhood Project
Result of 120+ Model Neighborhood boilers since 2012

- **$1,609,664**
